

Patient Portal Quick Tip

Medication or problem list not up to date on the patient portal?

To update your chart, request your personal health record (PHR).

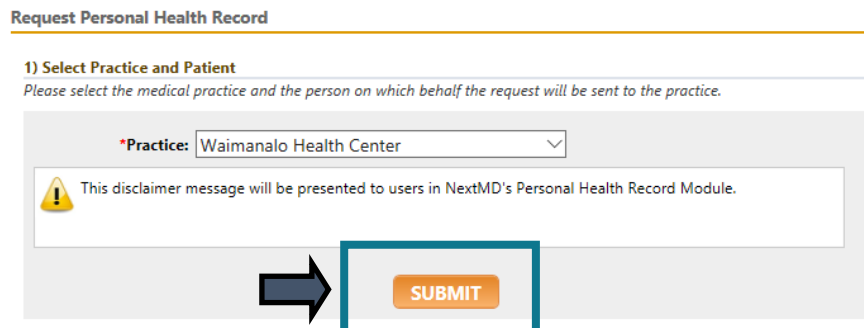

1

Click on “My Chart” and select “Request Health Record”

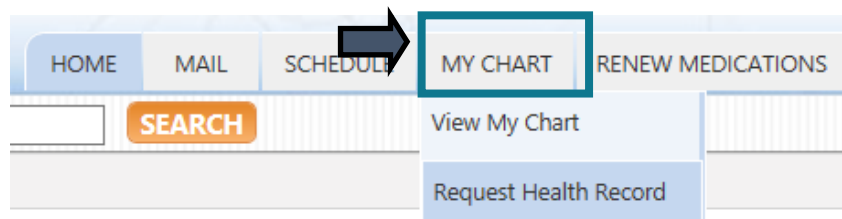

2

Click on the “Submit” button

A screenshot of the 'Request Personal Health Record' form. The title is 'Request Personal Health Record'. Below the title is a section '1) Select Practice and Patient' with the instruction 'Please select the medical practice and the person on which behalf the request will be sent to the practice.' There is a dropdown menu for 'Practice' with 'Waimanalo Health Center' selected. Below the dropdown is a warning icon and a disclaimer message: 'This disclaimer message will be presented to users in NextMD's Personal Health Record Module.' At the bottom of the form is a SUBMIT button, which is highlighted with a blue box and a black arrow points to it from the left.

3

Click on “My Chart” to view your chart

If it is still not up to date, let us know!
Tell your provider at your next visit or
send a patient portal message.
